STUDENT CREDIT CARD

INTRODUCTION

The West Bengal government's Higher Education Department has introduced the Student Credit Card Scheme to offer financial support to students for their educational pursuits.

This initiative aids students in pursuing their studies at the secondary, higher secondary, undergraduate, madrasah, and postgraduate levels. Those interested in professional degrees and similar courses at any schools, universities, colleges, and affiliated institutions in India and overseas can benefit from this program.

FEATURES OF STUDENT CREDIT CARD

- **Maximum Loan Offered:** Up to Rs.10 lakh is available as the highest loan amount.
- **Interest Terms:** Loans come with a simple interest rate of 4.00% per annum.
- **Interest Concession:** Borrowers paying the full interest during their study period will receive a 1% discount.
- **Repayment Duration:** The repayment term spans 15 years, encompassing a one-year moratorium or repayment holiday.
- **Insurance Coverage:** A life insurance policy will be provided in the student's name, covering the loan amount. The student bears the responsibility of covering the insurance premium, which can be deducted from their loan account.
